

**CHAPTER 9.0**  
**LIST OF PREPARERS**

<u>Name</u>	<u>Responsibility</u>	<u>Qualifications</u>
<b><u>Federal Highway Administration</u></b>		
Anthony DeSimone, P.E.	FHWA Indiana Division Office, EIS Project Manager	B.S., Civil Engineering, 7 years experience in project oversight and environmental studies.
Larry Heil, P.E.	Manager of Planning, Research and Environmental Activities in Indiana	M.S., Civil Engineering; B.S., Civil Engineering, 15 years experience in planning and environmental studies.
<b><u>Indiana Department of Transportation</u></b>		
B. Janice Osadczuk	Chief, Division of Environment, Planning and Engineering	M.A., Ecology; B.A., Biology, 29 years experience in environmental field and NEPA.
Jim Juricic	Manager, Environmental Services	B.S., Forestry, 30 years experience with NEPA/environmental-related issues.
Chris Baynes	Project Manager	B.A., History and Political Science, 11 years experience.
Brad L. Steckler, P.E.	Manager of Engineering Assessment, EIS Review for Engineering Aspects	M.S., Civil Engineering; B.S., Civil Engineering, 17 years experience in transportation engineering.
Hassan N. Nasralla, P.E.	EIS Review for Engineering Aspects	B.S., Civil Engineering, 20 years experience.
Curtis H. Tomak	EIS Review for Cultural Resources	A.B.D, Anthropology; M.A., Anthropology; B.A., Anatomy and Physiology, 26 years experience.
Bob Buskirk	EIS Review for Noise Impacts	B.S., Wildlife Management, 31 years experience with INDOT and 25 years reviewing EIS documents.
<b><u>Earth Tech</u></b>		
Greg L. Rominger, P.E.	Project Manager, EIS Preparation, Public Involvement	B.S., Civil Engineering, 19 years experience in highway and traffic design and project management.
Anthony Jones, P.E.	Project Engineer, EIS Preparation, Public Involvement	B.S., Civil Engineering, 15 years experience in highway design and scoping and project management.

<u>Name</u>	<u>Responsibility</u>	<u>Qualifications</u>
Kevin C. Fuhr, P.E.	Project Engineer, Impact Analysis	B.S., Civil Engineering, 6 years experience in highway and traffic design and planning and project management.
Bradley B. Miller	Project Engineer, Public Involvement	B.S., Construction Management Technology, 11 years experience in roadway design, drafting and design applications, and road and bridge construction inspection.
Terry J. VanDeWalle	EIS Preparation, Wetlands, Endangered Species, Public Involvement	M.A., Biology; B.S., Animal Ecology; A.A., Fisheries and Wildlife Biology, 16 years experience in EIS and EA coordination, animal surveys, natural areas surveys and wetland delineations.
Stacey J. Carlson	EIS Preparation, Wetlands, Endangered Species, Public Involvement	B.A., Biological Resources, 4 years experience EIS and EA coordination, natural area surveys, animal surveys and wetland delineations.
Craig A. Chumbley	EIS Preparation, Noise Analysis	Ph.D., Botany; M.S., Botany; B.A., Biology, 10 years experience in transportation environmental studies, noise impact analyses, and environmental site assessments.
Brenda J. Durbahn	EIS Preparation	M.A., Biology; B.S., Animal Ecology, 11 years experience in EIS and EA coordination, socio-economic impact evaluations and public participation programs.
Steven W. Maynard	Preparation of Maps and Graphics for EIS	B.A., Landscape Architecture, 19 years experience in landscape design, environmental services, storm water management, CADD, highway and bridge technician, and construction review.
Jason J. Droste	Preparation of Maps and Graphics for the EIS	A.A., Applied Science, 3 years experience as CADD designer
<b><u>VS Engineering, Inc.</u></b>		
Bhagwan C. Patel, P.E.	Hydraulic Analysis, Detailed Hydraulic Needs Analysis	P.E., Civil Engineering, 35 years experience in planning, design, and construction management of transportation, civil and environmental engineering projects.
Naren J. Patel	Hydraulic Analysis, Detailed Hydraulic Needs Analysis	B.S., Civil Engineering, 25 years experience in planning, design and preparation of technical reports, plans and specifications for civil, transportation and wastewater engineering projects.

<u>Name</u>	<u>Responsibility</u>	<u>Qualifications</u>
Steve Dommer, P.E.	Hydraulic Analysis	P.E., Civil Engineering, 25 years experience in design and construction management of large transportation and environmental engineering projects.
Shailesh M. Desai, P.E.	Hydraulic Analysis	M.S., Civil Engineering, 13 years experience in design, quantities, cost estimates, plans, specifications and construction clarifications for transportation, environmental, hydrologic/hydraulics and structural engineering projects.

**Landmark Archaeological and Environmental Services, Inc.**

Jeffrey Plunkett	Principal Investigator, Project Manager – Archaeological Surveys	M.S., Anthropology; B.A., Anthropology; 12 years experience in archaeological surveys and report preparation
Michelle Marushia	Intensive Level Historic Architecture Survey	M.A. in Physical Anthropology; 12 years experience with historic structures surveys, historic cemeteries analysis and urban archaeology projects.
Wayne Bischoff	Intensive Level Historic Architecture Survey	Ph.D., Anthropology; M.A., Anthropology; B.A., Anthropology, education and U.S. history; 12 years experience with historic structure surveys and urban archaeology projects.
